SUCK UK LTD certify BOTTLE LIGHT is in conformity with the essential health, safety and environmental protection requirements of European Directives.

Jude Biddulph & Sam Hurt - Managing Directors
1 January 2021

Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

CE Mark Meets EU health, safety & environmental protection directive requirements.

RoHS Restriction of Hazardous Substances Directive 2011/65/EU (as amended by 2015/863). Minimises the environmental impact of waste electrical and electronic equipment (WEEE) by reducing the quantities of four heavy metals and two brominated flame retardants. Specifies allowed limits of lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE).
