Displays (p. 75)

Spotted in Poblenou! Our new collection hits the streets of Barcelona with playful flair. Caught on camera, these socks and accessories bring unexpected fun to everyday looks—bold designs that turn sidewalks into runways, and curious glances into full-on stares.

At EAT MY SOCKS we design unique socks shaped as unexpected objects. From our food collection, which includes a wide range of models such as cheeseburger, sushi and pancake socks, to our trend line including fun forms like animals, flowers and other trendy icons, EAT MY SOCKS offers a large collection of creative, edgy and playful socks, all of which guarantee 100% surprise and are a perfect wow-factor gift!

EAT MY SOCKS has a mission to be gender-neutral and inclusive within the fashion industry. All our designs are unisex and one size fits most!

Our socks require transparent packaging to display our amazing shapes and trigger a wow effect to the receiver of your gift! However, we didn't want transparency to mean a loss of consciousness for our planet. That's why all the plastic we use at EAT MY SOCKS is 100% recycled and recyclable.
