Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

**CE Mark** Meets EU health, safety & environmental protection directive requirements.

**Toy Safety Directive** 2009/48/EC This product complies with comprehensive legislation to ensure that toys are safe. Including standards for physical and mechanical properties, flammability, chemical and electrical properties, and labelling. Child appealing products which are not considered toys, still need to be safe for children.

**6+ Stationery** This is a stationery item recommended for children aged 6 years and over.

**Triman Label** Indicates that used packaging should be sorted. Additional icons show how to recycle.

**Recyclable Packaging** Made from materials that can easily be recycled if disposed of correctly.

**Warning! Small Parts** Choking hazard. Not Suitable for children under 36 months.
