Jude Biddulph & Sam Hurt - Managing Directors
22 June 2022

Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) Addresses the production and use of chemical substances, and their potential impacts on both human health and the environment.

General Product Safety Directive Where products are not classified as toys they will still be

governed by the General Product Safety Directive.
