A handwritten signature in black ink, appearing to read 'Jude Biddulph &amp; Sam Hurt'.

Jude Biddulph & Sam Hurt - Managing Directors

22 June 2022

Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

This is  
not a toy

Recyclable  
packaging

**REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals)** Addresses the production and use of chemical substances, and their potential impacts on both human health and the environment.

**General Product Safety Directive** Where products are not classified as toys they will still be

governed by the General Product Safety Directive.

**This is not a Toy** This product is not intended for children, and has not been classified as a toy.

**Recyclable Packaging** Made from materials that can easily be recycled if disposed of correctly.

**This product has been tested and conforms to the requirements of the following standards.**
