Jude Biddulph & Sam Hurt - Managing Directors
02 October 2025

Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

CE Mark Meets EU health, safety & environmental protection directive requirements.

WEEE Waste Electrical & Electronic Equipment Directive reduces the amount of electrical and electronic equipment being produced and encourages reuse and recycling. For the product's after life, please take it to designated collection points, where they will be accepted free of charge.

Alternatively, in some countries return items to your local retailer upon the purchase of an equivalent new product.

RoHS Restriction of Hazardous Substances. Minimises the environmental impact of waste electrical and electronic equipment (WEEE) by reducing the quantities of four heavy metals and two brominated flame retardants. Specifies allowed limits of lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE).

Not for Children 0-3 Warning! Not suitable for children under the age of 36 months.

Triman Label Indicates that used packaging should be sorted. Additional icons show how to recycle.

Recyclable Packaging Made from materials that can easily be recycled if disposed of correctly.

Warning! Long cord Strangulation hazard. Not suitable for children under 36 months. Keep out of reach of children and pets.
