Practices.

CE Mark Meets health, safety and environmental protection requirements of EU directives.

WEEE Waste Electrical & Electronic Equipment Directive reduces the amount of electrical and electronic equipment being produced and encourages reuse and recycling. For the product's after life, please take it to designated collection points, where they will be accepted free of charge. Alternatively, in some countries return items to your local retailer upon the purchase of an equivalent new product.

RoHS Restriction of Hazardous Substances. Minimises the environmental impact of waste electrical and electronic equipment (WEEE) by reducing the quantities of four heavy metals and two brominated flame retardants. Specifies allowed limits of lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE).

This is not a Toy This product is not intended for children, and has not been classified as a toy.

Recyclable Packaging Made from materials that can easily be recycled if disposed of correctly.

Plastic Recycling Type-2 Please be responsible and recycle any unwanted plastic product or packaging. HDPE is a Type-2 plastic, other products that use this type of plastic include milk bottles and some shampoo bottles. Your local recycling centre will have the capability to recycle this type of plastic.

Plastic Recycling Type-3 Please be responsible and recycle any unwanted plastic product or packaging. PVC is a Type-3 plastic. Your local recycling centre will have the capability to recycle this.
