Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

**Triman Label** Indicates that used packaging should be sorted. Additional icons show how to recycle.

**Recyclable Packaging** Made from materials that can easily be recycled if disposed of correctly.

**Plastic Recycling Type-5** Please be responsible and recycle any unwanted plastic product or packaging. PP is a Type-5 plastic, other products that use this type of plastic include food containers and electric kettles. Your local recycling centre will have the capability to recycle this type of plastic.
