Jude Biddulph & Sam Hurt - Managing Directors
12 May 2023

Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

CE Mark Meets EU health, safety & environmental protection directive requirements.

Toy Safety Directive 2009/48/EC This product complies with comprehensive legislation to ensure that toys are safe. Including standards for physical and mechanical properties, flammability, chemical and electrical properties, and labelling. Child appealing products which are not considered toys, still need to be safe for children.

EN71 Tested to EN71 EU Toy Safety Standards. Safe and suitable for children under 14 years of age to handle. However we always recommend that children are supervised around our products.

6+ Stationery This is a stationery item recommended for children aged 6 years and over.

This is not a Toy This product is not intended for children, and has not been classified as a toy.

Triman Label Indicates that used packaging should be sorted. Additional icons show how to recycle.

Recyclable Packaging Made from materials that can easily be recycled if disposed of correctly.

Warning! Small Parts Choking hazard. Not Suitable for children under 36 months.

Warning! Pens Use under adult supervision. Don not put in mouth; inks are not for consumption.

This product has been tested and conforms to the requirements of the following standards.
EU/US Test Report - Eraser (0 Page PDF)
Paint Report - Pencil (0 Page PDF)
