Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

**Toy Safety Directive 2009/48/EC** Comprehensive legislation to ensure that toys are safe. Provides standards for physical and mechanical properties, flammability, chemical and electrical properties, and labelling. Child appealing product which is not considered a toy, still needs to be safe for children.

**6+ Stationery** This is a stationery item recommended for children aged 6 years and over.

**This is not a Toy** This product is not intended for children, and has not been classified as a toy.

**Warning! Small parts and small balls** Choking hazard. Not Suitable for children under 36 months.  
Use under adult supervision.

**Warning! Contains small magnets** Swallowed magnets can stick together across intestines causing serious infection and death. Seek immediate medical attention if magnets are swallowed or inhaled.
