

Cake Memo Block

Delicious looking pad of memo paper.

- 550 sheets of coloured paper for your note taking pleasure.
 - Tear off pad - Glued along the curved edge.
 - Looks like a piece of cake - tastes like paper.

For cake lovers, without the calories. Jot down that crucial thought before it slips your mind - a useful memo block within easy reach will improve your productivity. And a memo block that looks like cake will certainly improve your street cred. Serve with coffee.
