

Bon Croissant

Buttery pastry socks by Eat My Socks

- Golden, buttery goodness in sock form!
- Soft and cosy socks that give you the comfort of a warm croissant.
 - 1 Pair of over the calf socks.

We all wish we could be on a terrace in Paris eating a croissant looking at the Eiffel tower... but we can't, so instead we present to you the Bon Croissant socks! They are not like Paris but they'll keep your feet warm and stylish.
