

Kick Flip

A magnetic phone stand by Bobino

- Adhesive or magnetic to attach to all phones.
- Provides a hands free experience for recording or watching.

Watching and recording videos on your smartphone is easier than ever before with the Bobino adhesive or magnetic phone stand! Easy to use and reliable, this cellphone stand is designed to provide a handsfree experience that makes your life easier. The KickFlips can also be used as a grip and they are both compatible with magnetic (car) mounts.
