## en User Guide

The word "origami" comes from the Japanese words "oru" (to fold) and "kami" (paper). The practice of origami involves creating paper-based objects and models without the use of glue, cuts, or marks.

Included in this set are five designs and easy to follow instruction on how to make them, using the sets of coloured paper provided. You can of course create any origami design using the paper provided and also recreate these five designs in a paper of your choice. The sky is the limit.

We're here to get you started and to help you get an idea of the mindful, relaxing creative possibilities that origami brings.

The finished origami flowers you'll create, while therapeutic and rewarding to build, also happen make a great gift. Either a single flower as a small token or multiple flowers gifted as a bunch for a really striking and personal gift.

Scan the QR code below for full instructions and video tutorials for each of the five designs.

## fr Comment Jouer

Le mot "origami" vient des mots japonais "oru" (plier) et "kami" (papier). La pratique de l'origami consiste à créer des objets et des modèles en papier sans utiliser de colle, de coupes ou de marques.

Ce kit comprend cinq modèles et des instructions faciles à suivre pour les réaliser à l'aide des jeux de papier de couleur fournis. Vous pouvez bien sûr créer n'importe quel motif d'origami à l'aide du papier fourni et recréer ces cinq modèles avec le papier de votre choix. Il n'y a pas de limite.

Nous sommes là pour vous aider à démarrer et à vous faire une idée des possibilités créatives et relaxantes qu'offre l'origami.

Les fleurs en origami que vous créerez, tout en étant thérapeutiques et gratifiantes à construire, font également un excellent cadeau. Vous pouvez offrir une seule fleur en guise de petit cadeau ou plusieurs fleurs en bouquet pour un cadeau vraiment frappant et personnel.

Scannez le code QR ci-dessous pour obtenir des instructions complètes et des tutoriels vidéo pour chacun des cinq modèles.

## de Spielweise

Das Wort "Origami" stammt von den japanischen Wörtern "oru" (falten) und "kami" (Papier). Die Praxis des Origami besteht darin, papierbasierte Objekte und Modelle ohne den Einsatz von Klebstoff, Schnitten oder Markierungen zu kreieren.

In diesem Set sind fünf Designs enthalten sowie leicht verständliche Anleitungen, wie man sie mit dem mitgelieferten bunten Papier herstellen kann. Natürlich kann man auch jedes andere Origami-Design mit dem Papier herstellen. Ebenfalls können die fünf Designs mit jedem anderen Papier nachgebaut werden. Der Kreativität sind keine Grenzen gesetzt. Wir sind hier, um zu inspirieren und einen Eindruck von den kreativen Möglichkeiten zu vermitteln, die Origami bietet.

Das Herstellen von Origami-Blumen ist nicht nur beruhigend und erfüllend; die Blumen eignen sich auch ideal als Geschenk – sei es eine einzelne Blume als kleines Zeichen oder mehrere Blumen als beeindruckender Blumenstrauß.

Scanne den QR-Code unten für vollständige Anleitungen und Video-Tutorials zu jedem der fünf Designs.

## es Cómo Jugar

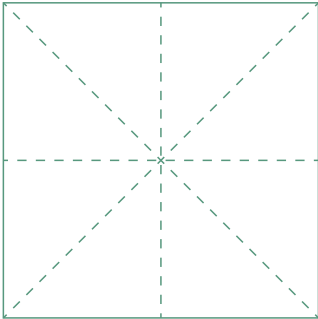

La palabra "origami" proviene de las palabras japonesas "oru" (doblar) y "kami" (papel). La práctica del origami implica crear objetos y modelos de papel sin el uso de pegamento, cortes o marcas.

Incluidos en este conjunto hay cinco diseños y instrucciones fáciles de seguir sobre cómo hacerlos, utilizando los juegos de papel de colores proporcionados. Por supuesto, puedes crear cualquier diseño de origami utilizando el papel proporcionado y también recrear estos cinco diseños en un papel de tu elección. El cielo es el límite. Estamos aquí para ayudarte a comenzar y para ayudarte a tener una idea de las posibilidades creativas y relajantes que ofrece el origami.

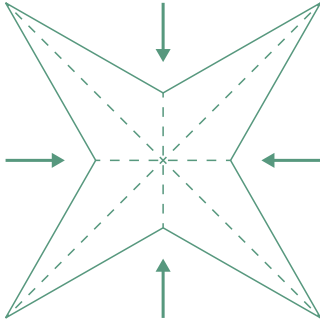

Las flores de origami terminadas que crearás, aunque terapéuticas y gratificantes de construir, también son un gran regalo. Ya sea una sola flor como un pequeño obsequio o varias flores regaladas como un ramo realmente llamativo y personal.

Escanee el código QR a continuación para obtener instrucciones completas y tutoriales en video para cada uno de los cinco diseños.
