

Revolving Night Sky

Light-up constellation globe.

- Spins 30 days non-stop on 1 battery
 - 14-second per full rotation.
- Illuminated & Detailed constellations.
- CR2032 & AA battery (not included).
- 14cm (5.5") High-gloss globe finish.

Fancy a trip to the stars, but don't have the time? Well with our Revolving Night Sky Globe, it only takes 14 seconds! With a 30 day spinning life on just one AA battery, The Revolving Globe is the perfect addition to any desk or shelf, and with it's easy two-part assembly, you'll be set up to go in less time than it takes to rotate.

Give someone an amazing gift, and you're telling them they mean something to you. That they're an important part of your life. That you care enough to bother finding something original that you know they'll love. And that puts a smile on their face. Finding that perfect gift feels amazing too. And that's what we're here for, to help you Give original.
