

Raining Cats & Dogs Umbrella

Changes to bright colours when wet.

- Umbrella printed with colour changing ink.
- Raindrops turn to cats & dogs when wet.
- High-quality mechanisms and soft grip handle.
- Standard size - 100cm diameter when open.
- Carbon fibre struts to defy the windiest weather.
- Lightweight, portable, super-tough and durable.
- Telescopic, with matching slip-on carry case.

It's chucking it down in buckets. It's raining cats and dog. Brighten Up Bad Weather. Simple white raindrop pattern transforms into a rainbow burst of cats and dogs when the umbrella gets wet. Printed with magical ink, that comes to life when in contact with water.

Raining Cats & Dogs Umbrella

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
