

A-Z CD Dividers

CD DIVIDERS

Organise your CDs like a pro.

Ever hang out in dusty old record stores full of vintage and collectable vinyl? Then these dividers will be very familiar! The printed cardboard dividers are photographic replicas of record store handmade dividers. Navigate around your own collection - flip them over to sort either by genre or alphabetically.

A-Z CD Dividers

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
