

Game On Backgammon

Iron & Glory Magnetic Travel Backgammon.

- Magnetic pieces
- Fabric carry pouch

It's true, traditionally backgammon is associated with the dark corners of old-school boozers, but 1) you should never mock a person who's been told they're a Grand Master of anything, and 2) we're not here to judge anyone for their choice of sporting attire. Backgammon is a workout for the brain, a fun pastime, and a cool way to show off to people who only play chess. Our magnetic backgammon pieces come in a velvet pouch, and the tin is the board, so no need to take up valuable space in your bag. Get your game on.
