

Big Book for Little Achievers

Album for kids certificates.

- Cloth bound coffee table book.
- Blank for your kids certificates.

Nobody wants to be a show off... OK, until you become a parent of course, then the idea of a coffee table book filled with swimming certificates becomes highly appealing. But not just swimming certificates, think of all those badly photocopied participation awards that would otherwise go in the bin. Now you can save them for ever and ever.

Big Book for Little Achievers

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
