FLYING LIZARDS - MONEY THAT'S WHAT I WANT MUG

Officially licensed lyrics on mugs.

Pop Art mugs to brighten your cuppa. Available in a range of different designs, they're decorated with legendary lyrics from some classic rad songs. Feeling a bit metal? Then rock out with a mug of Motorhead coffee. Just had a hard day of freedom fighting? It has to be tea in the Marvin Gaye mug. Or maybe you've just perfected your Bobby Gillespie hair? Primal Scream it is then ... For whatever musical mood you're in, there's a lovingly designed mug to accompany it.
