Iron & Glory Wooden Peg Puzzle

- Deluxe wooden board game.
- Includes XXX coloured, wooden pegs.
- Instruction book with game variants.
- All in one design, the storage box is the playing board.

The game is played by two or four players seated at opposing corners of the board. The game is won by being first to transfer all of one's pieces from one's own camp into the camp in the opposing corner. For four-player games played in teams, the winner is the first team to race both sets of pieces into opposing camps. On each turn, a player either moves a single piece to an adjacent open square, or jumps over one or more pieces in sequence.
