

Metro Water Bottle

Insulated 22oz water bottle with carry handle

- 22oz double wall insulated water bottle
- Stainless Steel body with Puramic inner ceramic coating
 - Foldable carry handle on the lid

A modern profile compliments any ensemble, and the pop-up straw makes it perfect for sipping on the go. The Double wall vacuum insulation keeps drinks cold for up to 24 hours and has a Puramic™ ceramic lining. The attached handle makes it easy to grip and looks luxe, but this practical bottle is more than just its good looks.
