WATER WARS

2 Water Pistols & vests that change colour when shot

- A fun water game made for two players.
- Includes 2 vests and 2 water pistols.
- Targets turn red on the vests when wet.
- The vests return to white once dry, ready for round 2!
- 2 Water pistols & 2 colour change target vests.

Two water pistols, and two vests with printed targets which turn red wherever they come in contact with water. Great If you enjoy laser tag, but hate the idea of having to dress up like a space man and run around in the dark, firing lasers at people you barely know.

Water Wars

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
