

Cat Scratch Turntable

Cardboard DJ turntable scratching cat toy.

- Cardboard, mixing-deck shaped scratching mat.
- Comes with a spinnable deck and poseable arm.
- Stop your cat scratching up your best furniture.
- Keeps cat's claws trim, maintained, strong and healthy.

Cool for cats! You love your kitty, but you hate him scratching the furniture, give your pet something good to get his claws into... Like a cardboard turntable with moving tone arm and a top which spins as your cat paws at it! Now watch your cat DJ instead of tearing up the furniture.

Cat Scratch Turntable

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
