

Paper Teddy

Decorate and send through the post.

Stuffed and stitched like a real teddy, does everything a greetings card should. Write messages and doodles, write on the address, stick on some stamps, and send through the post. Made from Tyvek it resists water, won't tear, and is easy to write on like paper.

Paper Teddy

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
