

Wing Nut Sharpener

Good grip for unrivalled ease of operation.

- Chrome plated, solid metal pencil sharpener
 - Made to resemble a wingnut
- Easily turned with its two metal wings for your convenience
 - Measures 51mm(W) x 22mm(H) x 20mm(D)

Wings make nuts easier to turn by hand, the same is true for pencil sharpeners. Over 250 years of industrial prowess culminate in the development of the Wing-Nut Sharpener. Perfect for anyone with a workshop, or a pencil. Or both.
