

Slide Light

6' SLIDE LIGHT (HOLDS 36 SLIDES)

Display your old photos in a wall light.

- An original classic designed by SuckUK.
- Available lengths for 12, 24, or 36 Slides.
- Wall mount vertically or horizontally.

Get your photos transferred to slide format (the type used for old fashioned slide projectors). And display them on your wall. Use your own photographs to create a mood that's unique to you - just slot your images into place for a constantly changeable look. A unique and classic lamp first designed in 1999 and sadly out of production today.

Slide Light

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
