

Bunny Light

Porcelain white rabbit with a light-up tail.

- Porcelain bunny with a light-up tail
- Uses an energy efficient LED bulb - stays cool to the touch
 - Also makes a great nightlight for kids
- Measures 11cm(W) x 17cm(H) x 20cm(D)

Super adorable bunny with a light-bulb where his fluffy tail should be. We don't have to explain any more than that, he's irresistible, and a little surreal. Face in different directions to adjust the amount of light directed into a dark room. The light stays cool to the touch and is made up of energy efficient LEDs. Powered via USB, so it will work with your existing phone or camera charger plug. We also include a multi-region USB Power supply in the box.
