

Punch Bag Laundry Bag

Turn a chore into a workout

- Laundry bag disguised as a classic boxing gym punch bag.
 - Use your dirty socks as a punch bag.
- Tough, durable and resilient – perfect for both jobs!
- Giant 70 litre capacity for even the biggest load of washing.
 - Hanging straps and over-shoulder carrying handle.

Big enough to hold a heavyweight load of washing, ideal for boxers, trousers and shirts, there's even enough room to throw in the towel (no pun intended). A great back to school gift.
