

3D Safari Cookie Cutters

Bake and assemble 3D Safari Animals.

Cookie cutters in the shape of safari animal body parts. Cut out cookie dough, bake in the oven, then slot the cookies together to make edible animals that will stand up your plate.

3D Safari Cookie Cutters

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
