

Crazy Laces

Do up your shoes with bright designs.

Are your old converses crying out for a makeover? Or are your new Nikes just not as glamorous as they once looked? Customise your feet by changing your shoe-laces. Get rid of the regular white laces supplied with your sneakers and put in a fresh colourful pair. Dress up your feet to look like strawberries, rainbows or American flags. We're crazy for them and we know you will be too. Designed by Suck UK

Crazy Laces

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
