Give your room a nostalgic glow

Officially licensed from Namco/Bandai, this beautifully designed and packaged retro-looking luminaire will even respond to you – as it comes complete with a remote; so you can control the lamp's colour cycle from anywhere in the room. From Strobe, to Flash, to Dim, to Smooth and to Fade. Designed to look like it's floating above your tabletop, this 16 colour phosphorescent phantom is the perfect gift for classic gamers or paranormal investigators.
