

Skyline Gift Wrap

Your presents will look like a mini city.

Super-sized sheets of wrapping paper printed with building facades from around the world.

Wrap your gifts to create 3D buildings that come together to form mini skylines. Unique wrapping paper perfect for that special architect in your life. The best way to keep the pile of presents under the tree looking organised.

Skyline Gift Wrap

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
