

BBQ Apron Guide

BBQ Cooking Instruction at your fingertips.

- 100% unbleached cotton apron
- Full of printed recipes, cooking times and helpful tips
 - Machine washable

Serve your guests the perfect steak without getting greasy fingers on your cook books. We've moved the recipes to the place you're supposed to wipe your dirty hands! An apron full of useful information: cooking times for a variety of meat, fish and vegetables, BBQ tips and tricks and some summertime cocktails to get the party started. A great gift for the man who cant boil an egg but insists on taking over the BBQ.

BBQ Apron Guide

An idea by John Caswell
made by Suck UK

John is a Designer based in Bristol, England. After graduating with a degree in product and furniture design he worked for several years as a Designer and Maker on projects ranging from TV and film sets to public artworks and exhibitions. He now spends his days designing retail spaces for leading clothing, sports and lifestyle brands. When not designing he loves riding his bike, getting out into nature with his wife and kids and producing dodgy electronic music!
