

Walking Erasers

Walking monsters made from rubber.

Clockwork creatures, wind them up and watch them go... causing a trail of destruction across your desktop. These wind-up monsters have added function however, their bodies are made from eraser rubber so you can rub out your mistakes as well as wiping out miniature cities of terrified citizens. Diabolically good gifts.

Walking Erasers

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
