

Protractor Pizza Cutter

For a precise slice.

- Stainless steel pizza cutter and slice measurer
 - Double sided - measures 6 or 8 slices
 - Easy to use with a rounded blade

No one likes to share a pizza, but if you must have friends round for dinner, you should share fair. It's never easy to perfectly judge equal slices...until now. Measure up your pepperoni-feast into 6 or 8 identical pieces, then effortlessly slice with the rounded blade. Even better, Protractor Pizza Cutter has no moving parts to get gunked up or pesky wheels to clean. A great gift to encourage equal portions.
