

Dead Fred Pen Holder

DEAD FRED PEN HOLDER

Gruesome - Stab Fred with your pen.

- Red silicone rubber holder for a single pen or pencil.
- A macabre alternative to your average pen tray.
- Keep Fred nearby and never lose your pen again.

Need to relieve some pent up anger and frustration? Tired of losing your pen when it rolls under the edge of your keyboard? You need Fred on your desk ... and then you need to stab him repeatedly in the chest with your writing implement! The most unnecessarily violent pen holder on the market today - get yours now!
