

Salad Servers

Game set and match.

- Solid beech wood serving spoons
- Made in a classic tennis racket design
- Measures 85mm(W) x 250mm(H) x 10mm(D)

For your word-play pleasure, we bring you Salad “Servers”. A pair of wooden spoons that look like tennis rackets... made for “serving” salad. “Knock-up” a smashing side-dish. “Have a shot” at serving an “ace” salad with these “matched” “set” of spoons. A great gift for rabbit food eating, tennis playing, pun freaks. Well made from solid beech wood.
