

Pillow Egg Cup

Deceptively comfy looking porcelain pillow.

- Looks soft
- Really hard!

It appears we have perched a boiled egg on a small, soft and fluffy, white pillow... Despite first impressions, this plush resting place is made from fine glazed ceramic, and neatly holds your morning egg in place. The prospect of a perfectly presented boiled egg for breakfast, will help drag your sleepy head from the pillow. Give your egg the royal treatment. A great gift for early risers who dream of a posh breakfast in bed.
