Solar System Hooks

An idea by Andy Mason
made by Suck UK

Andy is a product designer born and raised in the UK, earning a degree in Industrial Design from Brunel University in 2014. After interning at Suck UK for a year he went onto a full-time position, moved to London and kept creating awesome designs for another 4 wonderful years. Andy has since gone on to work at Joseph Joseph designing innovative kitchenware products sold all over the world. Apart from design he loves bikes, beer, space and pizza.
