

My Gardening Handbook

Create a personal horticultural reference book.

- A gardening reference book for recording your plans, ideas and growing secrets
 - Fabric covered hardback designed to last
- 300 pages of tips, and templates alongside blank sections to fill in yourself
 - Available in black or green

Over 300 pages of themed blank sections as well as loads of handy tips and secrets. Fill with your own notes, garden plans, ideas, inspirations, seasonal journals, plants, and growing secrets. Allotment growers can log crop cycles. Indoor gardeners can keep track of their watering and feeding regimen. There are sections for memorable plantings and events.

Whatever kind of gardener you are this book will soon become your most indispensable friend, helping to keep your crops and plants blooming at their best.

My Gardening Handbook

An idea by Nick Forrester

made by Suck UK

Nick (aka Fozz) is Staffordshire born and raised but now lives and works here in London. He is obsessed with design in all forms and regularly attends exhibitions, galleries, and trade shows for fun, with his yearly highlight being Dutch Design Week. From finishing University with a First in Product Design, he now works for us at Suck UK as a Product Developer, but still submits his ideas with the hope of getting them produced. Some of Nick's designs include; UFO Storage Jar, Send a Sound, TV Lunch Box, and My Gardening Handbook which was inspired from his experience in Horticulture and Arboriculture. Gaining knowledge and inspiration from anything and everything, who knows what he'll come up with next.
