

Concrete Clock

With painted face and gold hands.

- Painted face and gold hands
- Measures 133mm(W) x 133mm(H) x 60mm(D)
- Available in Grey or Pink

The cool grey concrete housing with contrasting gold or white coloured hands, makes this an ideal modern addition to any mantle piece, desk, or bedside table. Choose from two different painted faces, either steel grey or pink, to suit your style. The quartz movement makes this a reliable time keeper, all that is required is a one AA battery. (not included)
