

Marble Power Bank

A sophisticated portable charger.

- A luxury 4000mAh portable charger
- Available in black and white marble effect
- Includes power bank and USB charging cable
 - Charging time approx. 6 hours

The marble effect design means you can add a little elegance when needing to charge your device. The 4000mAh portable charger allows you to fully charge most smartphones at least twice, keeping you going for that extra bit longer. With a choice of black or white marble you can pick whichever suits your style best. Power bank charging time up to 6 hours from empty.
