

Icon Speaker

Robust portable speaker with archetypal design.

- Bluetooth speakers in the shape of the classic sound icon.
- Battery life of 8 hours with only 1 hour charging time.
- Tough silicone case in bright pop colours.
- USB charging cable included.

Connect up your Bluetooth devices to the portable and playful wireless speaker. Whether you're in the park or at a party, simply connect, and play your favourite songs. Two speakers can be wirelessly connected to operate as stereo speakers with the built-in feature of True Wireless Stereo (TWS).

Icon Speaker

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
