

Blank Ticket Book

Give great tickets.

- Beautiful blank tickets for when an ugly e-ticket won't do.
- Book of 32 double-sided tickets in 4 different design.
- Create your own unique and personal tickets to give.
 - Thick paper | Perforated edges | Gold foiling.
- Remember: Email confirmations do not make great gifts!

An average gift can be put in a box and tied with a ribbon. But what if you want to gift someone a weekend away, gig tickets, a trip in a hot air balloon, an afternoon tea? A printed email confirmation folded up inside a card just isn't good enough, and you know it. Give experience-gifts the presentation they deserve with our book of beautiful blank tickets. In each fabric-bound book there are 32 tickets in 4 different designs, complete with perforated edges and gold foiling. Keep note of the gifts you've given on the ticket stubs inside the book, and never hand over an e-ticket again.

Rosie was born and raised in Sunderland but fled for the bright lights of London to study graphic design in 2006, having developed a strong interest of the subject after visiting a Peter Saville exhibition whilst at college. An obsession with all things print and ephemera followed – shunning the digital world for the hand rendered, which is still apparent today in her watercolour pet portraits and bespoke illustration business. When not working as a designer at Suck UK HQ, she can usually be found organising her stationery cupboard with her cat Biggie Smalls at home in East London.
