

Flying Pig Corkscrew

Curly tailed bottle opener.

- A twist on the classic waiters friend.
 - Comfort grip & Easy action.
- Body coated in soft matte rubber.
- Stainless Steel Wings and curly tail.

The sommelier's favourite corkscrew is the classic "Waiter's Friend". Your new pig shaped friend will not fit in at fancy wine-bars, but pulls corks like a professional. Suprisingly comfortable to hold, twist the curly tail into the cork and lever off with the stainless steel wing. A great kitchen gift.

Flying Pig Corkscrew

An idea by Suck UK Design Team
made by Suck UK

Mark E Smith once said "if it's me and your granny on bongos, it's the Fall". It's a lot like that here - if it's Sam & Jude and a revolving team of talented creatives, it's Suck UK. From the inception of the company in 1999 Sam & Jude have been the constant driving creative force, but none of that would be possible without a great team of designers and developers who turn these ideas into something great. Once a Sucker always a Sucker.
