

Rose Gold Scratch Map

Metallic pink edition scratch off map.

- World map with removable foil layer
- Premium rose gold and marble finish
- Includes capital cities and national and state border detail

Flamingos, watermelon, strawberry jam – all the best things are pink. And whilst the Scratch Map Rose Gold Edition might not be quite the neon tropical end of the spectrum, we much prefer our Scratch Maps to have a subtle, sophisticated aesthetic. Speaking of sophisticated, the Scratch Map Rose Gold is our first ever map to feature a marble effect. Off-set by the pastel based underlay colours, once you start scratching, you'll be treated to baby blues, lilacs, and peach. So whether you need a slightly more romantic travel gift, an understated and classy travel gift, or you just really like pink, the Scratch Map Rose Gold might be the one for you.
