

Rock On Headphone Stand

Rock Salute Organiser & Desk Tidy.

- Headphone display styled as rockers hand pose.
 - Premium antique gold finish.
 - Weighted, with non-slip felt base.
- Large size is idea for over-ear headsets.
 - Mini is idea for in-ear headphones.
 - Big brother to 'Peace Out'.

The Rock On Headphone Stand is here to save you from the headphone tangle fairies, untidiness, and the general tendency to forget where you've put your headphones just when you're running out the door. Weighted to remain balanced when holding any weight of headphone, Rock On has a felt base to avoid slippage, and the headphone stand features grooves in the fingers that mean you can wrap all wires and cords around neatly (thwarting any possible mysterious tangle attacks). Rock On has you covered for all eventualities, and looks great on any desk, book case, or resting atop (or beside, if you're a bit precious about it) your turntables.
