

Game On Chess Set

Iron & Glory Magnetic Travel Chess Set.

- Magnetic pieces
- Fabric carry pouch
- Stylish presentation tin

It's true, traditionally chess is associated with nerdy turtleneck types, but 1) you should never mock a person who's been told they're a Grand Master of anything, and 2) we're not here to judge anyone for their choice of sporting attire. Chess is a workout for the brain, a fun pastime, and a cool way to show off to people who only play drafts. Our magnetic chess pieces come in a velvet pouch, and the tin is the board, so no need to take up valuable space in your bag. Get your game on.
