Ceramic elephant money bank.

- The piggy bank that isn't a pig.
- Soft pads on the feet keep you sweet.
- The Original saving elephant.
- Q: When is a pig not a pig?
- A: When it's an elephant.

Never forget to save again. Ellie is a constant nagging reminder to be sensible and put some coin away for the future. Save bigger, save better, stick your loose change in the back of an elephant. (How do you know there's elephants in your fridge? Footprints in the butter)
